Vineyard Christian School
2009-2010 Tuition Assistance Application

In 2008, the Vineyard Christian School offered Tuition Assistance for the first time. The 2008 Tuition Assistance Committee received more than $30,000 in Tuition Assistance requests and awarded nearly $15,000 to 16 students. In order to serve as many students as possible, no student received 100% of the Tuition Assistance requested.

The Vineyard Christian School is committed to continuing Tuition Assistance as funds are raised each year. Tuition Assistance will be allocated by the Tuition Assistance Committee based on the amounts requested in comparison with the monies raised for the Tuition Assistance Fund.

Tuition assistance at the Vineyard Christian School is allocated to re-enrolling students first and then to newly enrolling students, if there are funds left available. By filling in the information below, you are asking for consideration in our Tuition Assistance Program. Although consideration will be given, if funds are not available, VCS may not be able to meet the needs of all families requesting Tuition Assistance. You may, but are not required to, pay any fees or tuition until receiving notification of your Tuition Assistance decision.

Tuition Assistance Awards will be mailed by July 15. Parents must notify VCS of your acceptance or non-acceptance of the Tuition Assistance Award as soon as possible so that any Tuition Assistance Awards not accepted can be made available to other applicants.

In order to process your Tuition Assistance Application, **we must receive a completed application and a copy of your most recent tax return**. The information you provide remains confidential and is used only in the process of determining Tuition Assistance.

Parent Name _____ Student Name _____ Grade for 09/10 _____

Address _____ Email address _____
